The exclusion in REC 1:2, p.5.4 is deleted and replaced with the following text: The insurance does not apply if the *Insured* has neglected to carry out customary testing, examination and inspection of a *Delivered Product* unless the *insured* can reasonably prove that the product would have been faulty even if the customary testing, examination and inspection had been carried out. Customary testing shall include testing to confirm that a Delivered Product follows all standards or certifications which the product is said to meet or that the product has a duty to meet.

Reinstatement to a pre-agreed premium: One reinstatement of the recall limit of USD 10M per occurrence and in the aggregate at an additional premium of USD 40,000.
